Lose It for Good!

Surgical Weight Loss Center

Obesity is not a moral failing. And it often has nothing to do with willpower. At The Medical Center of Southeast Texas, we understand this and treat obesity as we do any other medical condition—by offering the latest medical treatment along with respectful patient care and support.

If you're more than 100 pounds overweight and have struggled with obesity all your life, our Surgical Weight Loss Center may offer hope. Many patients struggling with weight problems have found a new outlook on life through a combination of weight loss surgery and healthy living tools.

To learn more, call to reserve a seat at our next free seminar.
